### IMPORTANT:

**1) Your school counselor cannot open your funding application and enter any of your classes for funding until BOTH you and your parent sign the Participation Agreement in GAFutures.**

**2) Your school counselor will not be able to enter your classes for funding until mid-May or later as that Counselor Module is not yet complete in GAFUTURES.**

**So, you will see “pending high school approval” as your status for a while yet. Don’t worry, it will get completed once the Counselor Module is complete.**
